

Moscow solar outdoor power cabinet large capacity HJ Group

Overview

Outdoor smart energy cabinet HJ-SG-R type: container machine room, large capacity, modular design, this series of products. It can integrate photovoltaic, wind clean energy, energy storage battery, configure 6U integrated hybrid power system, and output DC48V (configured with). The outdoor photovoltaic energy cabinet can provide reliable monitoring systems, photovoltaic, and battery systems. It is a unified power supply platform system that supports various AC and DC input and output formats, meeting different power input and output requirements. Modular Scalability: Allows flexible expansion from 5. 96kWh, adapting to varying energy storage needs. Please feel free to call our customer service hotline or leave us a message online. We will provide you with efficient and comprehensive service. You know that sinking feeling when your GPS blinks out?
